

## LuLu

*Lu is a nice combination of spunk and companionship.* Plagued with chronic hip fractures on both sides, little LuLu has lived a life of constant pain ... until she found herself in the safety of the dog shelter and at the mercy of the kindness of our FOTS donors who have given her a new chance at life ... one that no longer involves constant pain. An extensive 'clean out' surgery in both of her hip sockets has left LuLu with new and improved mobility. She loves to run and play with other dogs, pester cats, and snuggle with her people. She can even jump up on the bed now!

### Goofball

I'm a fun-loving, happy-all-the-time, glass-is-half-full kind of dog looking for someone who loves to laugh and play around. Must have a great sense of humor and a bunch of tennis balls.
